

Chris Andrew Ciulla - Voice Bio

I'm a versatile, prolific voice talent who has worked in many VO genres, including **Commercial, Video Game/Interactive, Animation, TV Narration, Promos, E-Learning/Corporate Narration** and **Audiobooks**.

I currently live in the NYC area, but have the ability to be bi-coastal at minimal cost.

National and Regional VO Representation currently includes:

KMR (NYC)

STARS (SF)

Shirley Hamilton (CHI)

Radical (DEN)

AWA (BOS)

What am I doing now?

I'm the lead male voice actor and creative consultant for **EarPlay**, a voice recognition/interactive gaming company.

We are working on several programs for the **Amazon Echo** and have a production partnership with **Blindlight**, a casting/production house in LA.

Here's a partial list of my Interactive bookings:

The Orpheus Device (for Earplay on the Amazon Echo)

Fallout 76

Ultimate History Channel Quiz (The History Channel/A&E and EarPlay)

Jack Ryan (Amazon Echo Earplay Project)

Jurassic Kingdom (for EarPlay on the Amazon Echo)

Mr. Robot (Lead, for EarPlay on the Amazon Echo)

Fallout 4 (Bethesda)

Fallout New Vegas (Bethesda/Obsidian)

Mafia III (2K/Hangar 13)

Codename Cygnus (EarPlay)

Final Fantasy Type-0 (Square Enix)

E-Learning/Corporate Narration

I recently recorded a series of modules for **Nomadic Learning** for their **Management in the Moment** educational training series. References available upon request.

Audiobook Narration

I'm also a **full-time audiobook narrator** with over 320 career credits and have won multiple industry awards. Please refer to the audiobook section of this website for more information.
